LTS members can join the club to be in the show and talk about possibly having an LTS number like we have done in past shows.

## Christin-LTS

There are 28 kids registered, it is an 8 week session, then it will go into a 6 week session with a break for thanksgiving which will lead us into the new year.

Talking about adding and changing coaches, the goal is to get more so that Christin doesn't have to be on the ice as a coach.

Christin is working with Dana on the club calendar

## Diane and Anna- fall festival

Need more volunteers, Anna is going to highlight spots needed and will put on the board

Diane has the fire extinguishers, she talked to Robert at concession and he has agreed to let us use his ice, we need to figure out how to bag it and transport it to the booth each day.

Kelli is getting bowls for the salt and pepper, so we decided to have individual packets to hand out instead of sitting containers out.

Danielle said we can store the smores in the back office after smore making day.

Amanda is waiting for registrations for toi to go out before announcing the donations for toi.

## Kelli-synchro comp

Keli found another official

The deadline is Dec 7th 2021 for entry

Recommended that we start committees for it: practice chair, vendor chair, medical chair, there's also registration and programs, there will be more but that is a starting point.

## Amanda- TOI

Amanda is trying to get registration forms for toi out asap
