

Greater Evansville Figure Skating Club

Since 1981, GEFSC has been building confidence and community! As a 501(c)3 nonprofit, our club creates a welcoming place for skaters to discover a love of figure skating, experience personal growth, build friendships, and learn life lessons. Proudly affiliated with U.S. Figure Skating and based out of Swonder Ice Arena, GEFSC is where big dreams, bright smiles, and unforgettable moments take center ice.

Learn to Skate

GEFSC Learn to Skate is where the fun begins! Following the nationally recognized Learn to Skate USA curriculum - endorsed by U.S. Figure Skating, USA Hockey, and U.S. Speed Skating - our program welcomes skaters ages 3 through adult and builds skills, confidence, and joy on the ice. With year-round classes and more than 300 members in 2026, GEFSC Learn to Skate offers our community an exciting, safe, and encouraging first step into the world of skating.

Each January, we invite the wider Evansville community to join us for our *Try Skating for Free* event and experience the magic!

Aspire

The Aspire program helps skaters take their next exciting leap! Designed as the bridge between Learn to Skate and higher-level training, Aspire builds strong skating foundations, encourages positive habits, and creates a supportive team atmosphere for up-and-coming athletes. Aspire is all about growing confidence, making friends, and keeping the love of skating moving forward!

Competitive Training

For skaters ready to chase big goals, GEFSC offers on-ice and off-ice training throughout the year to support athletes testing and competing through the U.S. Figure Skating pathways. Our members have reached the highest levels of testing and have represented our club at local, regional, and national events - including the National Qualifying Series, Showcase Nationals, Synchronized Skating Championships, and Collegiate Championships. From first competitions to national events, GEFSC supports athletes and celebrates every milestone along the way.

River City Ice Theatre

River City Ice Theatre brings stories to life on the ice! This unique team discipline blends skating skills, choreography, music, expression and theatrical performance into one unforgettable experience. As Indiana's first ice theatre team, RCIT gives skaters the chance to shine together while building creativity, teamwork, and self-esteem. RCIT proudly has achieved success at the national level.

Competitions

GEFSC puts Evansville on the skating map! Our club has successfully hosted exciting competitions including the annual Southern Indiana Ice Classic, the National Theatre on Ice Championships in 2017 and 2024, and the 2022 Tri-States Synchronized Skating Competition. In May 2027, we are thrilled to welcome skaters as we host the Southern Eastern Great Lakes Competition. These events give local athletes incredible opportunities to compete while bringing talented skaters, families, and fans from across the region and country into our community.

Annual Christmas Show

Each holiday season, GEFSC transforms Swonder Ice Arena into a sparkling winter wonderland for the tri-state community. Our annual U.S. Figure Skating-sanctioned Christmas show features 80-90 local skaters of all ages performing under the lights for 500-600 enthusiastic guests. With festive music, beautiful costumes, creative props, and plenty of holiday magic, this beloved tradition is one of the most joyful highlights of our skating year.

Become a GEFSC Sponsor

When you sponsor GEFSC, you help make skating accessible and exciting in the Evansville community. Sponsorship support allows our nonprofit organization to offer high-quality programming for skaters of all ages and levels and to create memorable events in our area, while bringing families together through the joy of figure skating. We would be honored to partner with your business as we continue growing the Greater Evansville Figure Skating Club and creating opportunities for local athletes to shine.
